Cosumnes Oaks Touchdown Club Refund Policy (Adopted 2013)

The Cosumnes Oaks Touchdown Club (COTC) recognizes there will be a need to issue player refunds since a number of COTC activities take place prior to the start of the official high school football season but must be paid by players hoping to play during the upcoming school year.

The Cosumnes Oaks Touchdown Club Refund Policy is to provide parents and players with a clear understanding of what type of equipment and activities paid for by players during the pre-season will be refunded and the amount to be refunded.

Academics

Should the player become ineligible for the upcoming season due to grades, a full refund will be provided for any COTC activity (Summer Camp, JV Padded Camp, Varsity Padded Camp, Varsity Camping Trip) that was paid for by the player but for which they did not participate in prior to the conclusion of summer school and a refund for any items contained in the Spirit Pack that have not been opened and used. In addition, if the player has also paid for a COTC Membership and requests a refund for the membership dues, a refund will be provided minus any items received and used as part of the membership package and pro-rated if the football season has started.

Voluntary Withdrawal

Should any player decide to voluntarily withdraw from the football team prior to the official start of the high school football season, a full refund will be provided for any COTC activity (Summer Camp, JV Padded Camp, Varsity Padded Camp, Varsity Camping Trip) that was paid for by the player but for which they did not participate in during the pre-season. A refund will also be issued for any items contained in the Spirit Pack that have not been opened and used. In addition, if the player has also paid for a COTC Membership, a full refund of their membership fee will be provided minus any items received and used as part of the membership package.

Roster Cuts

Roster decisions will be made after the start of the official football season. In the event a player is cut during this time period, no refund will be issued for COTC activities that occurred during the pre-season. A refund will be issued for any items contained in the Spirit Pack that have not been opened and used. In addition, if the player has also paid for a COTC Membership, a full refund of their membership fee will be provided minus any items received and used as part of the membership package.

Refunds will be processed upon notification that a player has either become ineligible due to grades, voluntarily withdraws during the pre-season, or has been cut from the roster. Processing of refunds should take between 10 to 15 days and will be mailed to the address on file.

PARENT ACKNOWLEDGEMENT OF POLICY: I have read and understand the COTC refund policy.

PARENT VOLUNTEER COMMITMENT

The Cosumnes Oaks High School Football Program relies on its volunteers to make each year a successful one. On average, it takes over 40 volunteers to run a Friday Night home game. From helping out in the announcer's booth, to working on the field, to helping out in the snack bar and merchandise shed, the success of our football program is based on the outstanding level of volunteers.

Parent Volunteer Commitment:

Each parent agrees to support the team and game day activities through no less than 2 volunteer shifts per season. One shift must be in the Snack Shack – our most important fundraiser of the season.
